April To Do List

- Help 12th-grade students with making postsecondary decisions by May 1st. Use [this financial aid comparison tool](#) to help students compare financial aid packages.
- Consult [College Decision Day toolkit](#) to coordinate celebrations and help school staff prepare for the day.
- Set up Junior workshops and meetings to identify best-fit options and map out an action plan for a successful application process.
- Discuss [summer plans](#) with students; offer advice on activities and internships in which they can participate.
